

# HYBRID Pilot Cutter

Capt. Hywel J Pugh  
Chairman UKMPA  
Sea Pilot with the Port Of London

# Port Of London

Is the Authority that looks after the Thames, from the North Sea to Teddington Lock in the west of London. It covers a diverse area and with it some unique challenges.

UKMPA

# Pilotage operations

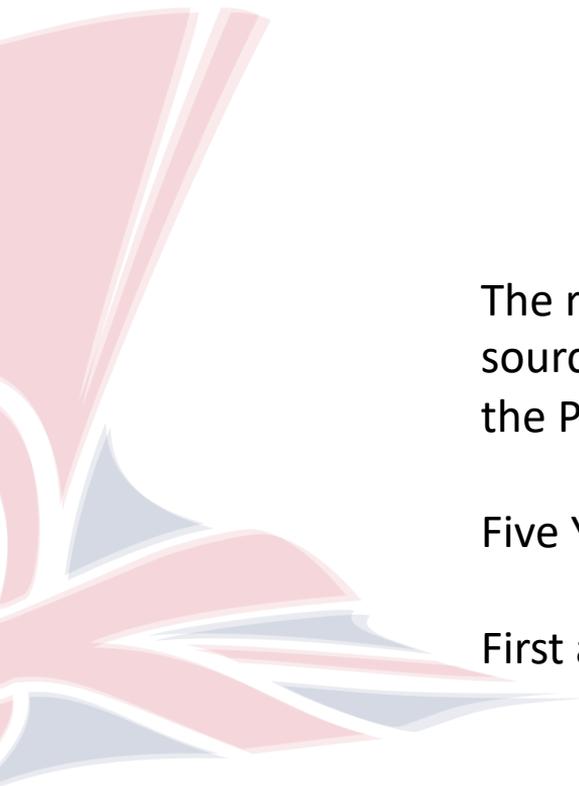

# Hybrid Pilot Cutter.

# Why?

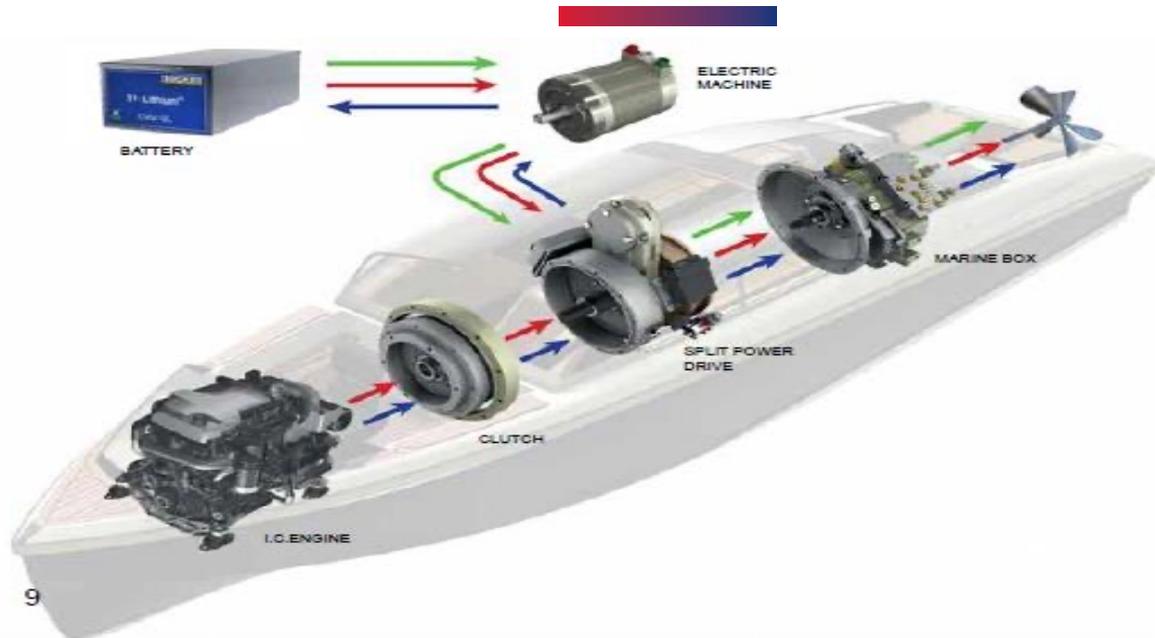

The reduction in harmful emissions to air from marine sources within the tidal River Thames, whilst facilitating the Port and London's future growth.

Five Year Action Plan, 2018 to 2022 inclusive.

First air quality strategy for a UK Port

# Hybrid ?

# Control ?

# What else is the port doing ?

HVO Fuel

# Driftwood II green refit.

# Green tariff discount.

# UK Ports.

# UK Ports.

# UK Ports.

# Thank you.

Any Questions ?  
Not too technical please I am a  
simple sailor.
